

How **2** Make Your Own "KINDS OF" SALVATION TINI-TRACTS!

● **To make ORIGINAL PRINT-OUT from which to make copies:**

(If you already have an original copy, skip to "PHOTOCOPYING" below.)

- ___ Set your printer's print quality to BEST PRINT mode.
- ___ Print page, "DID YOU KNOW THERE ARE TWO KINDS OF..." with four horizontal columns of text.
- ___ On **another blank sheet of paper**, print the inside pages, "...THOSE WHO ARE SAVED AND THOSE ABOUT TO BE..." with four columns of text.

● **PHOTOCOPYING:**

- ___ Make **one test photocopy** of the page, "DID YOU KNOW THERE ARE 2 KINDS OF".
- ___ Photocopy the **reverse side**, using the original, "...THOSE WHO ARE SAVED AND THOSE ABOUT TO BE...". Make sure text on **front and back** of the copy sheet are right-side-up and text blocks are aligned with each other (hold up paper to light). **If test-run is successful**, photocopy whatever quantity you need. *Keep your original copies in a SAFE place.* Skip to CUT-OUT INSTRUCTIONS.

● **MAKING COLOR COPIES OF TINI-TRACTS** from downloaded files from healingandhealth.org

- ___ Download and open files. Set printer to **COLOR** mode and print TRACT files **front and back** each sheet.
- ___ For **each 8½"x11"** sheet: Print one side with **OUTSIDE COVER**, and reverse side with **INSIDE** pages.

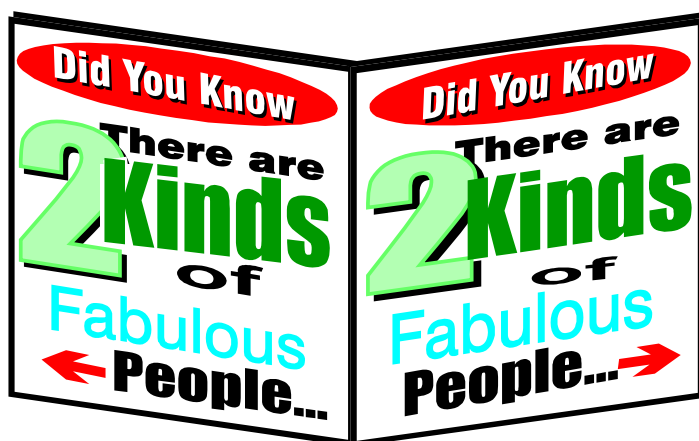

● **CUT-OUT INSTRUCTIONS:**

- ___ Dotted guidelines run vertically along the left and right margins of sheet, "DID YOU KNOW THERE ARE TWO KINDS..." Use paper cutter to carefully cut along guidelines. Discard/recycle the margins.
- ___ You will notice "scoring" lines near the "2 Kinds of" text to determine boundaries of each tini-tract.

CAREFULLY NOTE: There are ten (10) tini-tracts to a page — two across and five down.

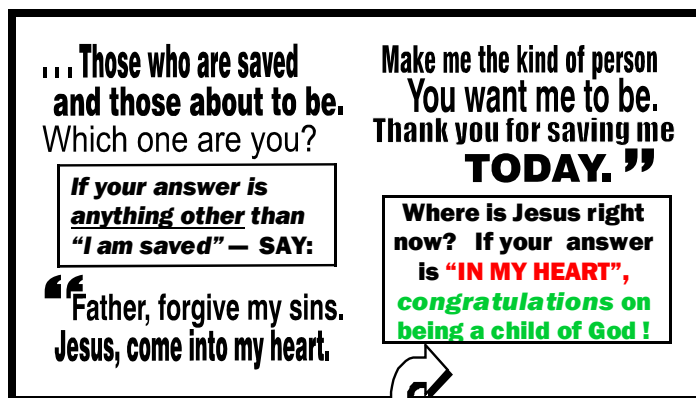

- ___ Place sheet in paper cutter and cut **straight** down the middle of the sheet vertically (lengthwise), using the vertical dotted lines at the top and bottom of the page as guides. You will now have two long "half-sheets", each with five tini-tracts stacked vertically.
- ___ Use the horizontal scoring lines to cut out the five tini-tracts per half-sheet.
- ___ **FOLD** each tini-tract in half, so that the words, "DID YOU KNOW THERE ARE TWO KINDS OF..." will face on the **OUTSIDE front and back** of your tini-tract, with the **red arrows "→"** pointing outward.

EACH tini-tract should look like this:

Outside cover
(Front & back of tract)

Reverse side
(Inside pages if laid flat)

(or your church's) can be
inserted here for follow-up.

TIPS: Insert tini-tracts with correspondence, when paying bills, leave with restaurant tips, leave at phone booths and waiting rooms, insert in toilet paper/seat cover dispensers in restrooms, give to bridge / road toll-takers or cashiers if no time to talk (e.g., if you are in a long line at the supermarket), or help lead a person to Christ by reading through the tini-tract together.

The words of the tini-tract were adapted from the formula taught by an angel to Frances Hunter and are featured in the **witnessing booklet, "There Are Two Kinds of"**, available from **Hunter Books**, P.O. Box 5600, Kingwood, TX 77325-5600, Tel. 1-281-358-7575, E-mail: wec@cfhunter.org
